

Job description

INTEA is a dynamic, international e-learning company based in Riga, Latvia. We are a team of 35 professionals with a shared passion for the work that we do.

Looking for **EXPERIENCED DIGITAL DESIGNER**

Requirements:

- Working knowledge and understanding of media products in use for online courses, including video and graphics;
- Strong grasp of visual design principles, information design, typography, color, imagery, iconography, UI&UX;
- Compelling portfolio that demonstrates beautiful interactive experiences and innovative design;
- Excellent team player with experience in project work;
- Detail oriented personality with ability to work according to technical specifications;
- Proven ability to create design concepts, as well as generate ideas within frames of existing and specific client guidelines;
- Can-do attitude and excellent communication skills;
- Fast learner, ready to become an expert in e-learning technology;
- Excellent oral and written communication skills in English;
- Experience working with video/audio/animation will be considered an advantage;
- Knowledge of instructional design theory and best practices will be considered an advantage.

About this position:

- You will be a part of INTEA's Creative department, closely collaborating with the rest of the staff (project managers, sales, script writers and developers);
- Your responsibilities will be designing and revising online courses via digital resources such as soft, multimedia and collaboration tools (creating graphical design

concepts and executing design projects based on existing templates; drawing interfaces, interactions and prototyping based on e-learning scripts);

- Effectively conceptualize, design and create high-quality custom visuals;
- Translate client requirements into engaging and compelling design concepts;
- Complete revisions based on client feedback;
- Deliver finalized and organized raw graphic files;
- You'll be part of creating INTEA identity in social media and other marketing activities.

Salary: from 1500 EUR gross

Send your portfolio and CV in English to iv@intea.lv.
